# Meet Brittney P.

## Client Care Assistant

We would like to shine a light on Brittney P.

Brittney started her journey with us in July 2023 as our Client Care Assistant and has been a vital asset to our team. Since she's started, she has positively impacted our company by assisting others, helping out our Personal Care Attendants and clients, and she establishes a safe and fun workplace environment.

Brittney states:

“Being the Client Care Assistant at Care Partners has brought the greatest joy and purpose to my life. Getting the opportunity daily, to guide and give a voice to our caregivers and clients brings meaning to my life. I get to make others who give care and support to our clients and families feel appreciated and understood, and that is my greatest gift. If I can bring a little sunshine and sparkle to someone's day, I have done my job!”

Thank you for everything you do, Brittney. You go above and beyond and make it a priority to make everyone feel loved and heard. We cannot imagine Care Partners without you!

**Fun Fact:** Brittney was a singing teacher and she was almost on the show, National Star
